COMMUNITY CLEAN UP DAY

SATURDAY, MAY 1, 9:00 AM - NOON

The Conservation Commission and the Jenks Center Intergenerational Leadership Team invite you to spend a morning cleaning up Winchester!

We'll meet in the Library parking lot between 9:00 AM and noon where you can pick up gloves, bags, and an extra face mask. Then we'll send you to a location that needs attention. Long sleeves, long pants, and sturdy shoes are encouraged!

RAIN OR SHINE

Can't make it? Offer to help an older adult in your family or neighborhood with some yard work, garage clean up, or a trip to the transfer station!
